

Steps after University Acceptance via Direct Admission on Campus France

YouTube Video Link for Reference: <https://www.youtube.com/watch?v=xLrGqex86Lk>

Step 1: Go to **Campus France portal** > **I am Accepted** > **Finalize my Procedure** then click on **I am NOT a study-abroad/exchange/dual degree student and I have been accepted into French institution** then click **ADD**

Select a program

i You can combine several programs (ie French as a foreign language program followed by a Master's degree program) You can't combine several degree seeking programs (ie 2 Master's programs)

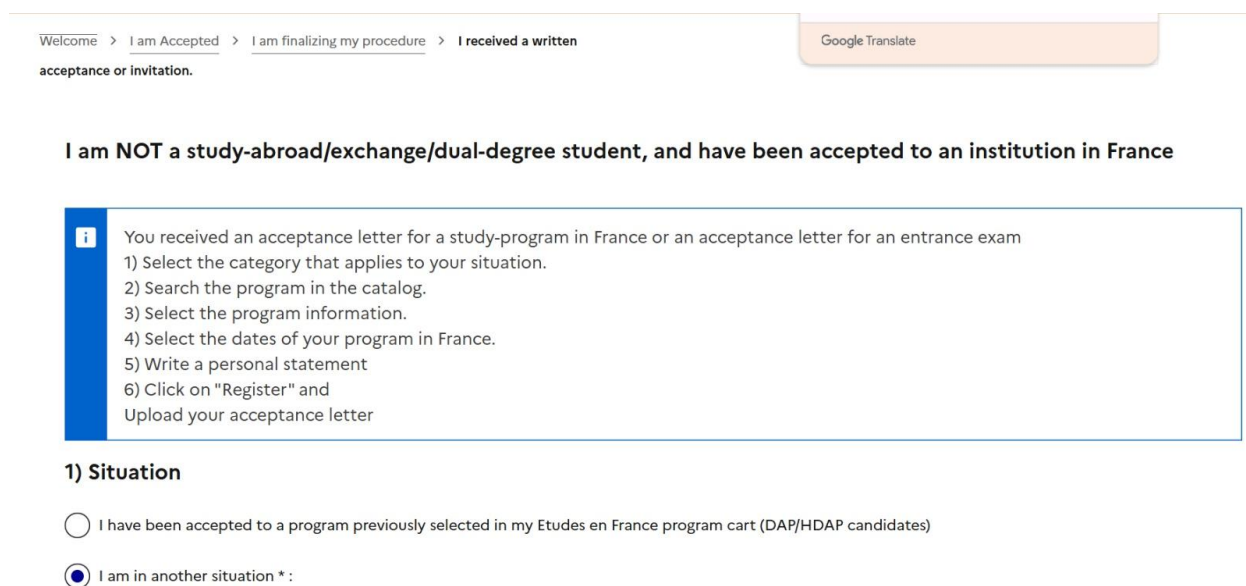

Add:

☐ I am a study-abroad/exchange/dual-degree student

☒ I am NOT a study-abroad/exchange/dual-degree student AND I have been accepted to a French institution

Add

Step 2: Click on **I am in another situation**

Welcome > I am Accepted > I am finalizing my procedure > I received a written acceptance or invitation.

Google Translate

i You received an acceptance letter for a study-program in France or an acceptance letter for an entrance exam

- 1) Select the category that applies to your situation.
- 2) Search the program in the catalog.
- 3) Select the program information.
- 4) Select the dates of your program in France.
- 5) Write a personal statement
- 6) Click on "Register" and Upload your acceptance letter

1) Situation

☐ I have been accepted to a program previously selected in my Etudes en France program cart (DAP/HDAP candidates)

☒ I am in another situation * :

Step 3: Select Program (Search Program from Course Catalog) or (manually enter details of Program by clicking on I did not find program in the catalog)

Enter Details, For example:

Description * :

Master Integrative Biology and Physiology

Intake Year * :

year 1

Level * :

4th year of higher education

Field of study * :

Biology

Type of diploma * :

Master of Science (MSc)

Note: For M1 program, it will be year 1 and 4th year of higher education. For M2 program, it will be year 2 and 5th year of higher education.

Step 4: Select host institution in which you get your admission, along with department and city

For example,

3) Program information

If you have not found your host institution in the catalog, please click on the button: "Find your French Institution"

Find your French Institution

Host institution :

Claude Bernard University Lyon 1 Faculty of Biosciences - Villeurbanne site

Step 5: Select Program start and end date (confirm from your program coordinator or as per written in your letter of acceptance)

For example,

4) Dates of the program

Start date * :

format:dd/mm/yyyy

28/08/2026

End date * :

format:dd/mm/yyyy

31/08/2027

Step 6: Copy paste the **motivation letter** 2500 characters long in the space provided that you used to apply for that program

5) Write a personal statement (150 words minimum)

 Explain why you want to study in France and why you have chosen this institution

Personal statement * :

Characters : 2375 / 2500

Step 7: REGISTER (you cannot undo the steps so carefully think and cross check the details entered and the program chosen)

Step 8: Upload Letter of Acceptance (after uploading, it might not be viewed and show error that's fine)

- Campus France will review file (it might take 1-2 weeks or a bit longer than those who selected out of 7 programs from EEF portal)
- After that PKR 30,000 needs to be submitted once it is validated.
- Interview could be expected at Campus France or Embassy or rarely in both places.
